FROM: Lynn Kunzler, Reclamation Specialist 

RE: Site Inspection, David Penney, Lucin Variscite Mine, S/003/034, Box Elder County, Utah

Date of Inspection: August 31, 1995
Time of Inspection: 2:00 p.m.
Conditions: Bright and sunny
Participants: Tom Munson, and Lynn Kunzler, DOGM

Purpose of Inspection: Check current conditions of this site.

The only activity apparent at this site since the last inspection is the equipment has been removed from the site. It appears as if there has been no mining done during the current year. The site is still approximately three acres in size.
